## Altina Wildlife Park — 17/11/2019

It was very pleasing to depart Fox Street with 23 riders/passengers/drivers this morning and then to catch up with the Junee duo as we neared Narrandera giving us a total of 25 members on this ride. We rode/drove through Currawarna, Ganmain, Matong, part of Grong Grong for this first section. We had a leisurely stopover near the Narrandera Information Centre, visiting several cafes, walking the main street or watching the cricket game in progress on the oval, someone even spoke of looking at the wetlands near the river.

We continued towards Altina Wildlife Park via Yanco and across the Euroley Bridge arriving in the parking area in time to collect the admission fees, check-in and answer nature calls as required. The park tour in single horsepower and a multi-horsepower carriage was enjoyed by everyone, interesting and presented by knowledgeable tour guides.

The return trip was along the Sturt Highway back to Wagga Wagga with a short stop at Gillenbah for human and motorcycle fuel.— Gerhard Grauer

## 2019 Christmas Party

The Christmas Party at Tallangatta turned out to be a rip snorter thanks to the efforts of Lorraine. There was a bit of a kerfuffle with accommodation owing to the fact that the only Motel in town cancelled all the bookings we had made to accommodate some firefighters having a meeting in town. However we all got sorted and in most cases ended up with better sleeping than we may have got. All in all we had 21 at the dinner and the meal was not too shabby, the people at the Victoria Hotel certainly know how to look after their customers. Most of us fronted up again on Sunday morning for breakfast, which certainly got us in a good frame of mind for the journey home, and the various revellers took a different route back to base camp, some going through Jingellic and Holbrook and others hooking up to Tumbarumba. I chose to go back via Wodonga and Albury due to time limitations.

Leslie Grauer had bought herself a Can Am Spyder but had to abandon it on the way down, at Holbrook, as one of the front tyres was scrubbing out. So that's a problem they will have to attend to this week and was the only drama we had all weekend as far as I am aware.—by Pat Coombs

## Pink Ribbon Ride

The Pink Ribbon ride was held on Sunday and went out to Mangoplah then across to the Rock, Lockhart and Galore stopping off at the Berry Jerry rest area for morning tea and the raffle draws. Fourteen took part in the day with the 4 Merry Widows travelling by car. It was a great ride and yummy morning tea raising money for breast cancer. Today's total \$225.85. Thanks to everyone for your donation. A special thanks to Koorungal butchery, Blake St Meats, Busy Bean and Gelato and Coffee Break for your donations for our raffle.— Pat Coombs

## Riverina Leader articles by Pat Combs

October 23, 2019

What a great turnout we had last Wednesday with 9 bods rocking up to the starting grid. There was Greg Wood (who was general for the day), Les Smith and Brian Jennings and these three went on to Mitta Mitta and stayed the night at the Mitta Mitta Pub. The rest of us, Pat Combs, Tim Cashen, Bill Moncrief, Don Pembleton, Oscar Beazley and Gino Scutti followed the overnight trio down to Walwa where we all had lunch. The journey down was out on the Mangoplah Road down to Burrandana and Westby then on to Holbrook for morning tea at the bakery. Man-o-man what a rough old tarmac that turned out to be, highlighted by a dead, king-size Wombat on a blind sweeping crest. After satisfying our needs at Holbrook we continued on to Walwa and from Walwa the Mitta trio continued on to Mitta Mitta through Corryong and Tallangatta. The journey for them was not so great as they got drenched in a sudden downpour. The publican got them all dried out and after a pleasant night at the pub with good food and a few quenching ales they continued on home, the next day, through Wahgunyah, Howlong and Lockhart rubbing 650ks off the tyres. Meanwhile the rest of the bunch peeled off at Tintaldra heading to Tumbarumba past Tooma and the Southern Cloud Memorial, and it was at about the Memorial the rain started coming down. It was cold and uncomfortable but we managed to get to Tumbarumba without getting drenched so we pulled over and put on our wet weather gear. Then the rain stopped. The trip home for us was straight down the Wagga Road through Kyeamba and Gregadoo. Another good day out on our Motorcycles.

Meet and greet on Saturday was well attended with a few of the regulars out and about pursuing other activities.

I was off on a bus trip to Sydney to witness the Edinburgh Military Tattoo and the Smiths went down to the South Coast to help Jan Wells turn 60.

### October 31, 2019

Seven riders ventured out for the day mid last week and took in the road to Oura and then Wantabadgery. From Wantabadgery the next part of the trip was over the low level bridge to Tumbalong and Adelong finally stopping at The Pie in the Sky Bakery in Tumut for refreshments. Having satisfied the inner man the group went on to Talbingo where lunch and a chat was the order of the day. Mark and Oscar peeled off early as they had appointments back at home base and Les, Gerhard, Gino, Trevor and Ian took their time and went straight back home through Tumut and Adelong. It was good to see Ian back on his bike after his recent health scare.

The usual Saturday morning coffee get together was well attended and the Toy Run Committee did a fund raiser at the South City Shopping Centre. In spite of the day being very windy and dusty the fund raiser was quite successful. Another fund raiser will be held at the Koorinal Mall this coming Saturday and at the Marketplace in Baylis Street on November 16<sup>th</sup>. The Toy Run is on Saturday the 7<sup>th</sup> December, departing the Jubilee Park Car Park at 9:00am. The run is free of charge but riders are requested to bring a new toy to put in the collection. Riders must be licenced and bikes must have current registration and be currently roadworthy.

Last Sunday was not an official ride day but with perfect weather holding out for the day there were many bikes zipping around and about.

Our next ride is the Dee and Guy ride leaving Maccas at 9:00am on November the 3<sup>rd</sup> followed by the Altina Park ride on November 17<sup>th</sup>. Until then ride safe.

## November 6, 2019

I led the way last Wednesday and told the eight riders, about to embark on the day's adventure, that we would navigate our way to Wodonga, but I omitted to tell them how we would do it and the inevitable happened when 2 members went the other way? Pat, Les, Woody, Oscar, Gerhard, Gino, Don and Sue set out at about 9:15am and headed down Gurwood Street to the Lights at the Hospital intersection (which had just turned red). We did a right turn there and headed west along the Sturt Highway to Collingullie. And that is where we had a problem, Les and Woody lost track of the first bunch and turned off down the Olympic Way to Albury. The tail ender of the first bunch (who shall remain nameless) failed to realise we had lost a couple of riders so we didn't stop to pick them up which illustrates how important it is to know who is following and keep a lookout for their headlights. Notwithstanding the fact we were 2 short the leaders continued to Lockhart then Wallbundry and Howlong where we had a refresher and answered a call from Les to arrange a rendezvous in Wodonga. After a drink and something to eat we then trundled our way over to Albury and finally met up at the Blazing Stump Hotel, on Anzac Parade, close by to Bandiana. (Don left us at Albury and returned home to attend to some family matters) After a very nice lunch at the Hotel we then headed for home past the Hume Weir and then out to Table Top through Thurgoona and on to Culcairn where we stopped for a breather before motoring up the Olympic Way home. A good day out even if a little muddled!!!

Saturday morning saw a healthy gathering at Busy Bean Central while the Toy Run committee rattled the bucket and sold some raffle tickets at Koorinal Mall. It was a pretty disappointing morning so we may have to think about going there next year. The next event for the Toy Run will be at the Marketplace on Saturday, November the 16<sup>th</sup>.

The Dee and Guy ride had eight riders front up at Maccas on Sunday morning and Guy, Dee, Mark, Mick, Les, Graham, Therese and Janine sailed off east to Gundagai through Wantabadgery. They had a bite to eat at the bakery and more or less came straight home with rain threatening. And threaten it did a bit later. Those who did go to Gundagai split up and took a different route home, some by way of Tumblong and some straight down the humorous highway. We certainly got a good dose of rain later in the day, hopefully enough to raise the dam levels around the state.

### **Membership renewals – 31 December**

OK everyone – take out that membership card from your wallet and check the renewal date. If your renewal is due on 31st December 2019, please consider renewing it early rather than leaving it. ## November 13, 2019

And so another week has passed with only five enthusiasts mounting up for an adventure last week. Mark, Don, Trevor, Les and Oscar headed over to Gundagai through Wantabadgery and propped there with the RMS doing a public relations exercise offering all motorists some updates on the rules that they may not be aware of. If the rider of a motorcycle is on P plates and commits an offence this may impact on his car license even if he/she has a full car license so we will check the details on this and give you an update. After a break at Gundagai the crew then motored up the Hume Highway to Jugiong and peeled off to Murrumbateman where they had a coffee stop and a snack. At this point Mark, Don and Trevor returned back to Wagga while Les and Oscar continued on to Boorowa where they had lunch at the Bakery. After lunch Les and Oscar went to Young then came back down the Olympic Way through Cootamundra to home base.

Meet and Greet was well attended at the Busy Bean, on Saturday, but it was pretty dam cold so the crew didn't hang around for long. I don't know why they didn't go inside where it was warm but I guess age has addled the brain ( it has in my case).

### **Motorcycle Apprentice of the Year Award (MAOTY)**

Think about your local motorcycle mechanic and bike shops. Each of these businesses would likely have apprentices. Please approach the mechanics and ask if their apprentices know of the Ulysses Club Motorcycle Apprentice of the Year (MAOTY) competition. The close date is fast approaching. The last date for nominations is December 31. Please ask them if they have considered nominating their 4th year apprentice for this competition. This competition is aimed at 4th year apprentices but 3rd year apprentices who are excelling are also invited to apply. Since its inception (an idea of Old #1, Stephen Dearnley) apprentices from all over Australia have competed for the prestigious award. Each of the zone winners (QLD/NT, SA, VIC/TAS, and NSW/ACT) win a substantial cash award for tools of their trade. The ultimate winner is announced at the National Rally and is presented with a motorcycle. The recognition the apprentices receive means a lot to their future career.

Hop on to the Ulysses Club website and check out some new items available in the gear shop.

Have fun in the sun on two wheels, or in one or two cases three wheels.

## November 20, 2019

Les, Gerhard, Alan Read, Don, Gino, Oscar and Mark made up the team of motorcycle trippers last week and the first stop was Culcairn for a brief spell. The group followed the track down to Ettamogah and from there down Table Top road out to the Hume Weir, across the Bethanga Bridge and down to the Walwa Pub for lunch.

With lunch out of the way they headed for home through Jingellic, Holbrook and Mangoplah with a great day behind them.

Meet and Greet saw a good number out enjoying the sun and swapping tall stories while the Toy Run Committee held a fund raiser at the Marketplace and at the end of the day it was most successful. The Marketplace had Santa arrive to entertain the kids and this drew the crowd away from the fund raising for a while but things soon turned back to normal after the fuss was over.

2020 Lismore National Rally, 4th May to 10th May 2020: Check out details of our next rally on <http://agm2020.ulyssesclub.org/> so please check out all the news. The website will be updated as information is available.

## November 27, 2019

The weather is really great at the moment but can get a little warm in the early afternoon so last week the Wednesday riders, Pat, Les, Sue, Mark, Don on the Indian, Thommo riding his Goldwing resurrected from the reservation and Darren all headed for the hills and passed through Tarcutta and Humula to arrive at Rosewood. Darren, a new chum from Kapooka, peeled off at Tarcutta and went back home to attend some other matters. The rest of us settled down to some nice cool drinks, ice creams and snacks in the outdoor area of Barneys Gone Crazy's and whiled away the time in a nice cool breeze. By the time we had festered and rested the Degrees were climbing up the scale so we headed straight home through Kyeamba and Gregadoo in time for a late lunch. Not a long ride (190Ks) but most enjoyable all the same.

On Saturday we had a really good roll up for Meet and Greet but the management at the Busy Bean have pulled out all the shade bushes out front so the ladies all elected to sit inside and gasbag while the men sat outside in the sun to discuss their individual skills as the traffic rolled by spewing Carbon monoxide into the atmosphere.

There was no Club ride set down for last Sunday but the day was absolutely pristine and several groups availed themselves of the conditions and hit the highways and biways.

There will be a Branch Meeting at the Club Rooms on Tuesday December the 17<sup>th</sup> and this meeting will get under way at 6:30pm with a barbecue and then a short meeting before Santa hits our shores.

Things are beginning to slow down a bit as Christmas Day looms so see you on the road soon.

## December 4, 2019

The Wednesday riders, Les, Graham, Don, Sue, Mark and our new chum, Darren, all took off for Rutherglen where they had an enjoyable lunch at the bakery there. Oscar didn't go, his Spyder had developed battery troubles and he couldn't get the inner workings to turn over, let alone fire. After lunch at the bakery the happy six motored home through Howlong, Walbundrie and Henty after enjoying a great day in the sunshine. Just remember the Wednesday rides depart from the Busy Bean Café (35 Gurwood Street) at 9:00am each week, and usually consist of a small group of 8 or 9 riders eager to escape from home for the day.

The next event on the calendar is the Toy Run this Saturday. The start will be at the Jubilee Oval car park at 9:00am sharp. Turn up at about 7:30am and the Koorungal scouts will have some bacon and egg rolls for sale for breakfast, as well as tea and coffee or cold drinks. There is no entry fee for the toy run but each rider is asked to bring along a suitable gift for a child in the 3 to 15 age bracket. Your bike must be registered and you must be licensed, also make sure you have plenty of fuel on board as the Toy Run covers a distance of 90 kilometres. At about 10:15am there will be a half hour stop at Apex Park, in Lake Albert for refreshments, once again put on by the scouts and the deal at this point is a gold coin donation. On the way round we will have stopped briefly at Forest Hill for a comfort stop. We will finally arrive at the Civic Centre (about 12:15pm) for the handing over of the toys to St Vincent de Paul and the Salvation Army, and we will also have a brief auction of wooden toys from the Junee Jail, the drawing of the raffle and the lucky rider's prizes. Plus there will be food available to restock the inner man (or woman). Enjoy the day and don't do anything stupid that will jeopardize further events.

After the toy run the only other event will be the last Branch meeting for the year on the 17<sup>th</sup> of December. The evening will get under way at 6:30pm with a sausage sizzle and salad courtesy of the local Branch.

Next up is a visit from the old goat in the red uniform.

In January the Grauer's will host a breakfast at their residence in Ladysmith and a short ride up into the hills will follow and the date is January 19<sup>th</sup> which is a Sunday.

So here we go - Merry Christmas.
